Hadley Edwards

Designer CV 24

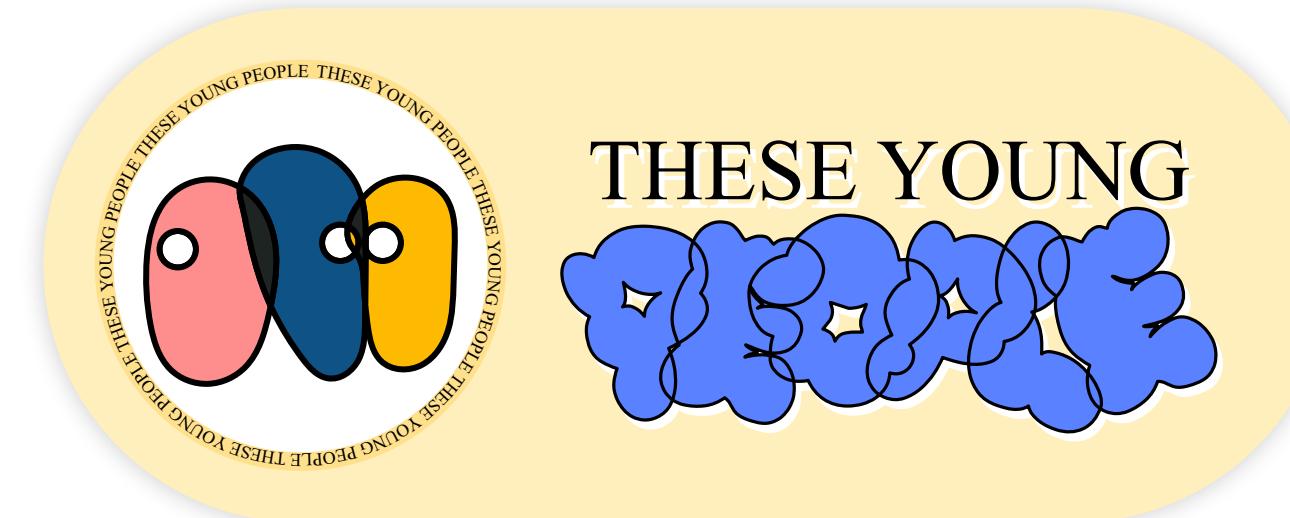

With over 6 years of experience in Graphic Design, my journey has led me to assume various roles within the organizations I've engaged with. I have actively pursued experiences that I believe will prove valuable in an increasingly digital world. My skill set encompasses UX/UI design, Product Design, Web Design and Branding. These skills are further strengthened by my solid background in tertiary education.

I believe that my technological knowledge, proficiency in Adobe CC applications, and collaborative experience make me an excellent fit for the listed position. Additional information about my talents and abilities is available upon request.

Thank you for considering my application. You can view samples of my work at <https://www.behance.net/hadleydesign>. I greatly appreciate your time and consideration.
